

QUALITY POLICY

We are committed to meet or exceed the needs of our customers while complying with all statutory and regulatory requirements. We are also committed to deliver defect free products on time, every time.

We will define and pursue Quality Objectives as needed to continuously improve our product, processes and systems.

Finally, to ensure that we meet the stated policy objectives, the quality management system is subject to regular review by management.

A handwritten signature in blue ink, appearing to read "Jay Robinovitz".
